Houston, TX – Harris County Clerk

Stan Stanart is alerting voters of a significant voting related change for the November 5th Election. "Due to a change in Texas Election law, **all voters are now required to provide one of the seven types of photo IDs when voting in-person,**" informed Stanart. "I urge voters to come prepared with one of the required photo ID to the polls."

The state approved photo IDs for voting include:

Voters may apply for an **Election Identification Certificate (EIC)** at no charge at the Department of Public Safety (DPS) **if they do not have any other acceptable form of ID.** Requirements to apply for an EIC can be found at <http://www.txdps.state.tx.us/DriverLicense/electionID.htm>.

If a voter is 65 or older, or are disabled, they are entitled to apply for a ballot by mail. In most cases, they will not need to provide photo identification when voting by mail. October 25, 2013 is the last day for Harris County to receive an application for a ballot by mail (received, not postmarked). To obtain an application to vote by mail, voters may contact our offices at 713-755-6965 or visit www.HarrisVotes.com.

Stanart also informed voters that the number of early voting location in Harris County has increased from 37 to 40. "As the result of a steady increase in the number of voters who choose to vote early, we are adding three new locations to better serve the voters of Harris County," concluded Stanart, the chief election official of the county. BRING YOUR PHOTO ID TO THE POLLS

Starting Monday Voters Will need a Photo ID to Vote

Houston, TX – Harris County Clerk Stan Stanart is alerting voters of a significant voting related change for the November 5th Election. "Due to a change in Texas Election law, **all voters are now required to provide one of the seven types of photo IDs when voting in-person,**" informed Stanart. "I urge voters to come prepared with one of the required photo ID to the polls."

The state approved photo IDs for voting include:

- Texas driver license issued by the Texas Department of Public Safety (DPS)
- Texas Election Identification Certificate issued by DPS
- Texas personal identification card issued by DPS
- Texas concealed handgun license issued by DPS
- United States military identification card containing the person's photograph
- United States citizenship certificate containing the person's photograph

With the exception of the U.S. citizenship certificate and some military identifications, the ID must be current or have expired no more than 60 days before being presented at the polling place. Voters may apply for an **Election Identification Certificate (EIC)** at no charge at the Department of Public Safety (DPS) if they do not have any other acceptable form of ID. Requirements to apply for an EIC can be found at <http://www.txdps.state.tx.us/DriverLicense/electionID.htm>.

If a voter is 65 or older, or are disabled, they are entitled to apply for a ballot by mail. In most cases, they will not need to provide photo identification when voting by mail. October 25, 2013 is the last day for Harris County to receive an application for a ballot by mail (received, not postmarked). To obtain an application to vote by mail, voters may contact our offices at 713-755-6965 or visit www.HarrisVotes.com.

Stanart also informed voters that the number of early voting location in Harris County has increased from 37 to 40. **“As the result of a steady increase in the number of voters who choose to vote early, we are adding three new locations to better serve the voters of Harris County.”** concluded Stanart, the chief election official of the county. The period for Early Voting by Personal Appearance starts Monday, October 21 and ends, Friday, November 1.

NEW VOTER QUALIFICATION LAW IN EFFECT: County Clerk urges voters to Bring Photo ID to the Polls

Houston, TX – Harris County Clerk Stan Stanart alerted voters of two significant voting related modifications as in-person voting for the Nov. 5, election gets underway. Early voting by personal appearance starts Monday, October 21 and ends, Friday, November 1.

“All voters are now required to provide one of the seven types of photo identification when voting in-person,” informed Stanart. **“I urge voters to bring an acceptable form of photo ID to the polls.”** The state approved photo identifications

for voting include:

- Texas driver license issued by the Texas Department of Public Safety (DPS)
- Texas Election Identification Certificate issued by DPS
- Texas personal identification card issued by DPS
- Texas concealed handgun license issued by DPS
- United States military identification card containing the person’s photograph
- United States citizenship certificate containing the person’s photograph
- United States passport

With the exception of the U.S. citizenship certificate, the identification must be current or have expired no more than 60 days before being presented at the polling place. Voters may apply for an **Election Identification Certificate (EIC)** at no charge at the Department of Public Safety (DPS) if **they do not have any other acceptable form of ID**. Requirements to apply for an EIC can be found at <http://www.txdps.state.tx.us/DriverLicense/electionID.htm>.

Stanart also informed voters that the number of early voting location in Harris County have increased from 37 to 40. **“The steady increase in the number of voters who choose the early voting option to cast their ballots dictates a continuous review of the process to better serve all voters. The objective is to add locations to alleviate the traffic where the voter turnout is heavy or add locations in underserved areas in the county.”** concluded Stanart, the chief

election official of the county.

For more information about photo ID requirements including exemptions, visit www.votetexas.gov. To obtain an application to vote by mail, a list of Early Voting locations, Election Day Polling Location or view a voter specific sample ballot, voters can visit www.HarrisVotes.com or call 713-755-6965.

“With the support of Clear Channel and other entities in Harris County, the County Clerk’s Office is working hard to inform all voters that they need to bring their photo ID to the polls,” said Harris County Clerk Stanart. “We want to ensure that all voters are able to exercise their right to vote.”

Clear Channel is donating 17 billboards and time on a number of digital billboards throughout Harris County over the period of the election. The value of the donation is in excess of \$25,000 in advertising. “Clear Channel is pleased to partner with County Clerk Stanart to make this extremely important message in four languages,” stated Lee Vela, Clear Channel’s Vice President of Public Affairs. According to Vela, from now until Election Day, the advertising will create more than 5.1 million market impressions or more than 1.5 million households to be seen.

In addition to the billboard component, the County Clerk Stanart’s *Bring Your Photo ID to the Polls* outreach campaign is focused on spreading awareness of the new voter ID law by strategically reaching out to individuals, businesses and educational organizations within the county. The effort has reached out to 43 Chambers of Commerce, 19 Independent School Districts within Harris County, 363 faith-based organizations within Harris County, 77 City of Houston and County officeholders, Heads of City of Houston and County Councils, 68 City and County Libraries, and, organizations and individuals within the African American, Hispanic, Vietnamese and other communities.

As Election Day approaches, we will continue our “Bring your photo ID to the Poll” message. I urge all civic-minded individuals to join our campaign. Together, we can ensure that all citizens are aware of the new law and receive accurate information”, concluded County Clerk Stanart.
